

BROWN CLINIC FOR ATTENTION AND RELATED DISORDERS

Overview:

“In the Brown Clinic children, teenagers and adults can get comprehensive evaluation and treatment for attention and related problems which may be accompanied by difficulties that undermine success in school, college, grad school, employment, social relationships and/or family life. In this clinic those diagnosed with attention and learning problems can also receive expert psychoeducational testing which may be required to obtain accommodations in schools, universities and for SAT, ACT, GRE, MCAT, LSAT, GMAT, or professional credentialing tests. Other available services include psychotherapy, cognitive behavioral therapy, family therapy, and medication monitoring.”

NATIONAL ALLIANCE ON MENTAL ILLNESS (NAMI)

Overview:

“NAMI Orange County is a volunteer based non-profit organization and is the leading self-help organization in the county for families and friends of those suffering from serious mental disorders. Founded in 1980, NAMI Orange County offers family support groups, advocates for legislation, supports research efforts, and works to educate the public to reduce stigma. NAMI Orange County, affiliated with NAMI California and the National Alliance on Mental Illness (NAMI), receives its funding from its membership and from the community, but provides services free to the public. The mission of NAMI Orange County is to provide emotional support, education, and resources for families, and those affected by mental illness. In collaboration with the entire community, NAMI advocates for a life of quality and dignity, one without discrimination, for all those persons affected by this illness.”

OC LINKS

Overview:

“As operated by the Orange County Health Care Agency, Behavioral Health Services, the OC Links Information and Referral Line provides telephone and online support for anyone seeking information or linkage to any of the Health Care Agency's Behavioral Health Services. These services include children and adult mental health, alcohol and drug inpatient and outpatient, crisis programs, and prevention and early intervention services. Callers can be potential participants, family members, friends or anyone seeking out resources, or providers seeking information about Behavioral Health programs and services. Trained Navigators provide information, referral, and linkage directly to programs that meet the needs of callers.

If you would like to learn more about services available through Behavioral Health Services, please call (855) OC-LINKS between the hours of 8 am - 6 pm to be connected to a Behavioral Health Navigator, or click on the OC Links Chat icon during open chat hours. TDD Number: 714-834-2332.”

WESTERN YOUTH SERVICES (WYS)

Overview:

“At WYS, we match the right services to every child and every family. Our integrated service model means we offer programs intended to prevent mental health issues by using wellness solutions and intervening early enough to halt behavioral or emotional issues before the point of crisis. Along the full continuum of care, we also work with youth requiring intensive mental health services.

With more than 40 years of service, we have developed programs for the Orange County Health Care Agency, Orange County Social Services Agency, multiple school districts and other community providers.

WYS professionals listen carefully to understand your situation and help you address your specific concerns with sensitivity and trained expertise. If you need help for yourself, your loved one, your classroom, your school, your youth serving organization...We have the right services for you. Our services range from working with individuals and families to working with school districts as well as and community partners, such as Boys and Girls Clubs.”
