

Get Your Teens Vaccinated!

Help your teen stay healthy and get them vaccinated before going back to school. The City of Irvine is offering kids ages 12–17 the opportunity to easily get vaccinated for COVID-19 at a convenient neighborhood location:

cityofirvine.org/vaccine

Heritage Park Community Center Youth Vaccine Clinic

14301 Yale Ave., Irvine

July 23 & August 13 | 5–8 p.m.

Registration required at yourirvine.org.

The Pfizer vaccine will be available, free of charge. Please note minors will need to provide a waiver signed by a parent or guardian to get the COVID-19 vaccine.

Food and raffle prizes will be offered to those who get vaccinated!
